How do you plan to use the OCR API?

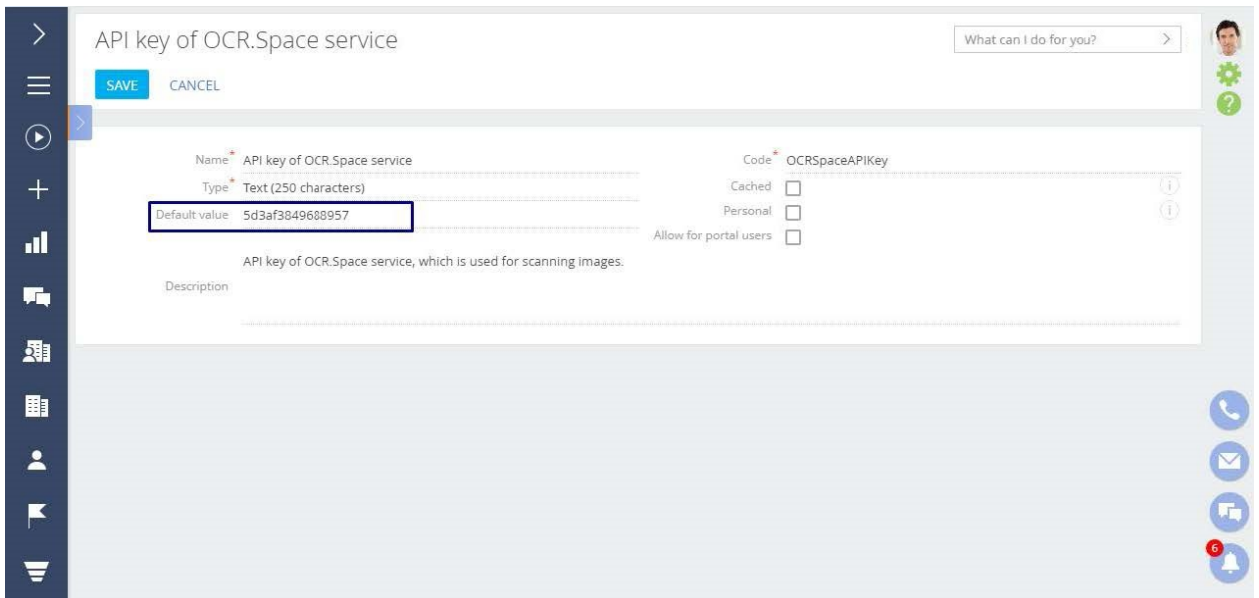

Subscribe to list

After registration is complete, the API key will be sent to your email. Copy the key and enter it into the 'API key of OCR.Space service' system setting:

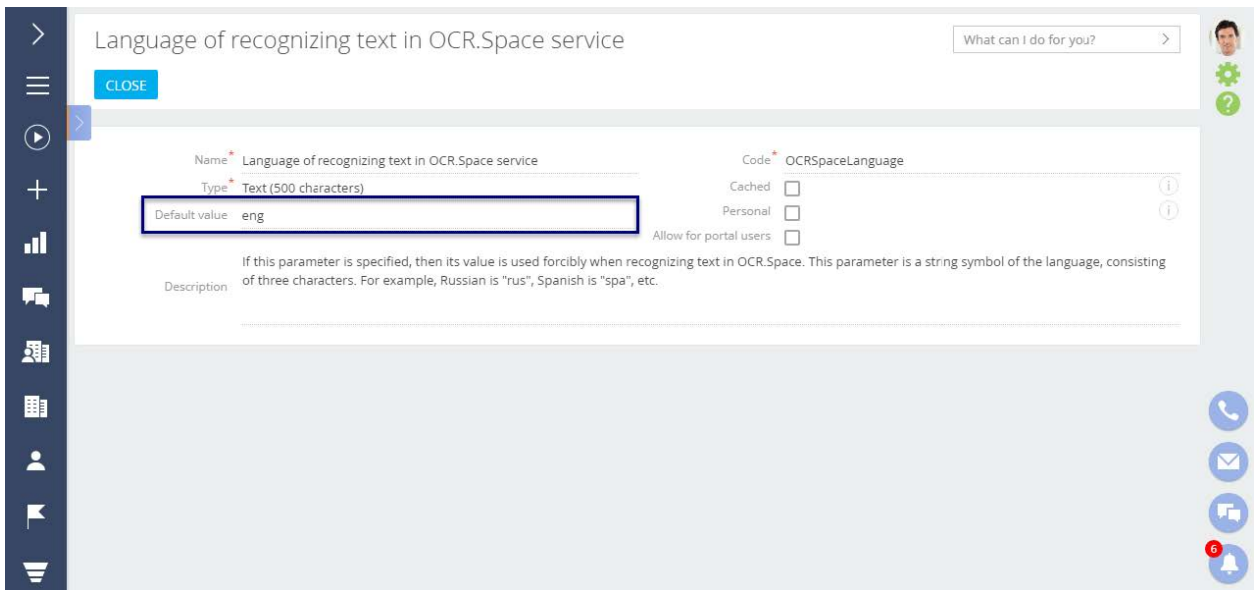

The screenshot shows the 'System settings' interface. On the left is a navigation sidebar with various categories like 'Favorites', 'All', 'Administration', 'cloud services', 'Integration with external resources', 'Mobile', 'Passwords', 'Records auto numbering', 'Scoring', 'Sending emails', 'Telephony', and 'Webitel'. The main area displays a list of settings with columns for 'Name' and 'Code'. The 'API key of OCR.Space service' setting is highlighted in blue and has 'OPEN', 'COPY', and 'DELETE' buttons below it.
