

Install guide

Connector for HintEd Digital Adoption Platform allows to create real learning-while-doing experience.

Install the connector	.2
	~
Set the connector	.2

HintEd

Install guide

Install the connector

To install the connector please refer to the instructions in Creatio documentation: <u>Install apps</u> <u>from the Marketplace</u>.

Set the connector

1. Go to the Settings \rightarrow System designer

≡ ⊙ + <	Marketing home page		What can i do for you? > Crectio	\bigcirc
Marketing -	OVERVIEW BOUNCE MONITORING		Edit page	٠
🏫 Home	Marketing budget	Budget by channels	Touches is liew leads System designe	
2 Contacts	Ó		To To To To	•

HintEd

Install guide

3. Add filter for Name

System settings	
NEW FOLDER - ADD SETTING	ACTIONS -
 ★ Favorites All 	 ✓ Filters/folders ▼ ✓ Add filter ✓ Switch to advanced mode

Enter "hinted" and click 🗹 button

 $\overline{2}$ - Name Contains hinted \times

System sett	ings							
NEW FOLDER -	ADD SETTING	ACTIONS -						
— ★ Favorites		×	🔁 Filters/folders 🕶	Name	•	hinted	~	×
— 🖿 All			Name					

4. There 3 main settings you can change to set the connector

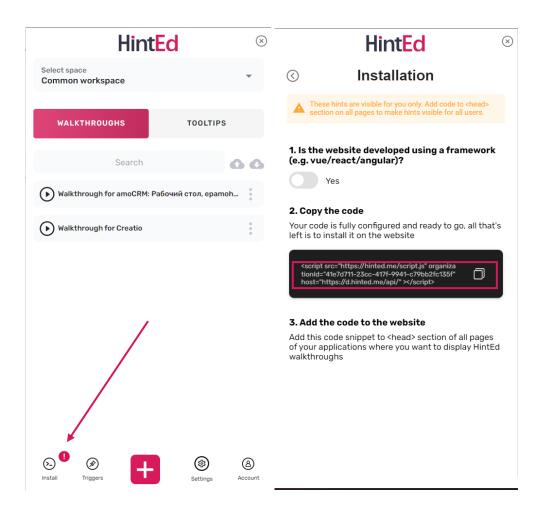

Name	Code 💙
HInted Organization Id	hintedOrganizationId
Hinted host	hintedHost
Hinted groups	hintedGroups

To change the setting open it and put Default value and Save it

HInted Orgar	nization Id		What can I do for yc
SAVE CANCEL			
>			
Name*	HInted Organization Id	Code*	hintedOrganizationId
Type	Text (50 characters)	Cached	
Default value		Save value for current user	
Description			

Install guide

You can find you Hinted Organization Id in Hinted extension:

HintEd

0

or in Hinted control center:

WSER EXTENSION WEBSITE CODE	Θ	Epadmin ep@hinted.dev
	•	Profile
s the website developed using a framework (e.g. vue/react/angular)?	→ >-	Installation
Yes	€	Logout
copy the code ar code is fully configured and ready to go, all that's left is to install it on the website:	_	
<pre>script src="https://hinted.me/script.js" organization/d="41e7/3711-23cc-417f-9941-c79bb2fcl35f" host="https://d hinted.me/api">s/script></pre>	ē	
Collect statistics	_	
add the code to the website		
d the copied code to all pages where HimEd walkthroughs are to be shown.		

Make the same setting for **HintEd host**. Use <u>https://hinted.me/</u> as default value.

If you use groups, set Hinted groups default value to true.

Install guide

Now connector is ready! You can refresh the page.

Widget will be on the page if there any published walkthroughs.
